

CUSHIONI Folding Camping Mats

Unfold, and camp is ready.

Light, warm, cross-linked PE foam mats made in Korea. Supplied to Costco Japan since 2017.

100% virgin PE	Folds flat	6 heavy metals not detected	OEM ready

Built for cold ground and quick getaways.

Our folding mats are made from chemically cross-linked, closed-cell PE foam: light enough to carry with one hand, tough on rocks and damp ground, and ready to use the moment you unfold them. The same mats have been on the shelves of Costco Japan since 2017.

Key features

- **100% virgin PE foam.** Chemically cross-linked, with no recycled content. Lightweight and water-resistant; 6 heavy metals not detected.
- **Insulates from ground cold and damp.** Closed-cell foam helps keep moisture and chill from the ground away from you.
