SOURCING

Silver Walker (Elderly Mobility Aid)

A lightweight, foldable walking aid with a seat and storage basket, built for safe, independent mobility.

The Silver Walker is a mobility aid built around a lightweight aluminum frame (6.5kg) that folds flat for storage or transport in a car trunk. The handle height adjusts across three settings (90 / 93 / 96cm) to fit different users, and a seat with an under-storage basket lets users rest or carry belongings. Front casters rotate 360 degrees for easy maneuvering, and reflective wheel caps improve visibility for evening use.

Key features

• Lightweight aluminum frame (6.5 kg)

• Foldable for compact storage and car transport

• 3-stage adjustable handle height (90/93/96cm)

• Seat with under-storage basket

• Front casters rotate 360°, rear wheels fixed

• Reflective wheel caps for night visibility
