HOME LIVING

Herringbone Living Mat

Modern gray herringbone mat, water-resistant and non-slip for any room.

A modern gray herringbone mat that suits any room. A surface coating keeps it water-resistant while a PE film underside grips the floor and blocks moisture. At an ideal thickness for play and daily activities, it is made with child-safe material and durable embossing — quality made in Korea.

Key features

• Modern gray herringbone design for any room

• Water-resistant surface coating

• Non-slip PE film underside blocks moisture

• Child-safe material, durable embossing
